We hope to give an article at an early date giving facts connected with Mr. Herbert's bee industry which we hope will be of interest to all our readers.

## A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker, of Bookwater, Ohio, "an infant child of our neighbor's was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous healthy child. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale at Smith's drug store, Newberry, and Aull, Hentz & Co. Pomaria.

## A Crazy Woman.

Sheriff Buford on Wednesday carried to the State Hospital for the Insane, Mimy Young, a negro woman who lived on Mr. Henry Boozer's place, in No. 7 Township. The woman was carried to the Hospital in January and some time ago her release was secured. However, she soon proved that she had not regained her mind. During this month she set fire to one of Mr. Boozer's ten and houses and on the order of the Probate Judge was placed in jail. Wednesday morning her husband was admitted to the cell and she hit him over the head, knocking him down. After this occurrence the sheriff took her to Columbia on the first train.

## A YOUNG LADY'S LIFE SAVED.

At Panama, Colombia, by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Dr. Chas. H. Utter, a prominent physician of Panama, Colombia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for proved ineffectual and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet and at the end of one week was entirely well." For sale at Smith's drug store, Newberry, and Aull, Hentz & Co. Pomaria.

## ELECTION DAY IN NEWBERRY.

Passed Off Pleasantly and Quietly—No Special Incidents.

The first primary in Newberry County passed off pleasantly and quietly and without special incident. Probably there has never been as quiet an election where there was as much interest in the result.

The vote was not as heavy as was expected. Two years ago Mr. Sease received 2,277 votes in this county in his race without opposition for Solicitor. The total this year reached 2,104, a decrease of 173. This decrease is probably mainly due to the rain that began falling about noon.

The official count is given on the first page of this issue. There are few changes in the figures as given by The Herald and News and The Observer on the night of the election, and these changes do not affect the result. The returns came in a little more slowly than usual, due also to the rain. However, the interest of the crowd who watched the bulletins was not in the least abated, and favorites were lustily cheered.

For the House of Representatives Hon. Arthur Kibler was re-elected. Messrs. Aull, Banks, Higgins and Sanders will be in the second race.

Mr. E. S. Werts was re-elected Superintendent of Education over both of his opponents.

Messrs. W. W. Hodges and J. C. Wilson will go into the second race for Probate Judge, as will Messrs. J. M. Schumpert and J. Y. Floyd for Supervisor.

Mr. John L. Epps was re-elected Treasurer, and Mr. W. W. Cromer Auditor over both opponents.

In the second race for County Commissioner will be Messrs. Benjamin Halfacre, G. S. Moore, J. M. Nichols and W. H. Wendt.

Messrs. J. H. Chappell and C. B. Tidwell will run over for Magistrate of Townships 1, 2 and 8.

The magistrates nominated for the various other townships are as follows:

No. 3—T. P. Adams.  
No. 4—F. W. Fant.  
No. 5—W. C. Sligh.  
No. 6—J. H. Williams.  
No. 7—J. W. Ropp.  
No. 9—B. B. Hair.  
No. 10—P. B. Ellisor.  
No. 11—W. F. Suber.  
The new court house was lost.

Altogether, the candidates for county offices in the second race including magistrates, number fourteen.

## Perfection Attained.

"Clifton" fancy patent flour is a perfect flour. It is not possible to put more quality and purity into a flour than our "Clifton" brand contains.

"Clifton" is a soft wheat fancy patent. It is made from select wheat, every grain of which was grown on Kentucky soil—the finest wheat in the wide world. Only the choicest berries are selected. These are thoroughly cleaned, and then by a special process of gradual reduction are converted into flour. The cream of this flour is separated and sifted gently through the finest silk bolting cloth, giving it a velvety softness seldom found in ordinary flour. That's "Clifton," and that's why it is a perfect flour—the finest product expert milling and a modern mill can make from the best wheat grown.

"Clifton" is a flour of quality at a reasonable price. You can pay as much and get an inferior flour, but you cannot get a better flour whatever you pay. Bransford Mills, Owensboro, Ky.

## KILLED AND ROBBED.

Negro Woman Living Near Pomaria Found With a Bullet Hole in Her Head.

Liza Suber, a negro woman about 20 years of age living on Rev. J. J. Long's place, about five miles from Pomaria, was found dead in the house in which she was living on Wednesday morning. The body was on the floor beside the bed. There was a bullet hole above one eye, and her face was bruised as though beaten with a club. On the bed was a short pine pole.

The woman had a small amount of money probably \$40 or \$50, which she had taken pride in conspicuously displaying. This had disappeared. It is supposed that she was killed and robbed.

Magistrate Suber held an inquest on Wednesday.

He had previously tried many other remedies and a number of physicians without relief. For sale at Smith's drug store, Newberry, and Aull, Hentz & Co., Pomaria.
